Grant County Announces Email Problem

Ephrata – Grant County recently experienced a high volume of spam email coming into our system. As a result Technology Services, working in conjunction with our email protection service, attempted to minimize this spam. As a result we unintentionally blocked legitimate email. If you sent an email to anyone at Grant County from 12:00 PM 8/5/09 to 10:30 AM 8/6/09 please resend your email.

We apologize for any inconvenience this may have caused.
