Grant County Commissioners Approve Alternate Proposed Drop Box Phase-Out Plan

Ephrata – After taking public comment on the proposed Phase-Out Plan, receiving written comment, and work session discussion, the Board of County Commissioners approved an interim operational plan for the Drop Box System in Grant County. This interim plan is recommended for the calendar year 2010 with reconsideration of the Phase-Out Plan in early 2011 after review of the 2010 operational year. The following has been approved:

- Close the Hartline Drop Box.
- Increase hours at the Coulee City Drop Box to a full day on Saturday.
- Close the Beverly Drop Box.
- Increase the hours at the Mattawa Drop Box to add a full day on Friday.
- Increase the disposal fees:

Less than ½ Cubic Yard	\$5.79 per load
Non Compacted	\$13.51 per cubic yard
Dense or Compacted	\$23.16 per cubic yard

All subject to 3.6% State Refuse Collection Tax
