

Discovery Benefits' is excited to offer mobile applications to participants for the iPhone, iPod, and Android users. Once downloaded, the participant can view their balance information anytime, anywhere. To download these applications, the participant will log in to their portal and select the Mobile Access option from the Profile tab:

The screenshot shows the portal navigation tabs: HOME, ACCOUNTS, PROFILE, NOTIFICATIONS, and FORMS. The PROFILE tab is selected, and a dropdown menu is open. The menu items are: Profile Summary, Dependents, Beneficiaries, Bank Accounts, Debit Cards, Login Information, and **Mobile Access** (circled in red). Below the menu, there is a 'Welcome, Amy' message and a section titled 'New Mobile Apps' with a 'Learn more' link (circled in red).

The participant can either select the Mobile Access option or utilize the New Mobile Apps area on the Home Page and select Learn More. Either option will navigate the participant to the following screen:

The 'Mobile Access' screen features the following content:

- Header: **Mobile Access**
- Text: Access your account anytime, anywhere. Easily check your balances and manage your account on the go with the new apps for the iPhone & iPod Touch and Android mobile devices.
- Key features:
 - Check available balances 24/7
 - View important alerts about deadlines affecting your account
 - Easy, secure login
- Buttons: [Get the iPhone & iPod Touch App](#) and [Get the Android App](#)
- Instructions:
 - Step 1: Install the app.
 - Step 2: Login with your standard username and password.
 - Step 3: Access your account anywhere.
- Security: **Your information is secure**
We prevent unauthorized access by utilizing 128-bit SSL on all mobile transmissions. No sensitive account information is ever stored on your phone.

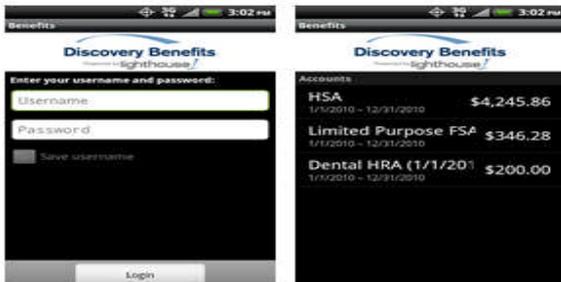

The participant can select the appropriate application to download and use. They will navigate to the Android Market where the app(s) can be downloaded.
