If the department head determines that it is in the best interests of the particular department to advertise and seek applicants from outside current County employees, the Employer has the right to advertise and seek outside applications along with current County employee applications without any obligation to provide preference and/or first consideration to existing County employees within the department and/or outside the affected department. The department head shall have the right to determine which applicant is the best qualified for the position regardless of whether the applicant is a current County employee or outside of current County employment.

During the probationary period, employees may be terminated/discharged without cause and without notice at the discretion of the department head.

If at the end of the work performance probationary period the promoted employee either chooses to return to his/her former position or is informed by the Employer that he/she did not satisfactorily complete his/her trial service period, he/she shall be returned to his/her former position. If the return is based on the Employer's decision, it can be implemented based on no cause and said employee shall have no recourse whatsoever.

- 8.3 Seniority shall terminate if an employee is discharged/terminated, resigns, retires, is laid off for a period greater than six (6) consecutive months and/or is on an unexcused absence of three (3) or more days in duration.

Further, the parties may by mutual written agreement extend the probationary period for up to an additional three (3) months for full-time employees and five hundred (500) hours for part-time employees.
- 8.6 If and when the Board of County Commissioners and/or department head determines it is necessary to lay off an employee or employees within a department, the last employee hired in the affected job classification within the department will be the first laid off within said department. This person will be placed on a recall list and will be eligible to be rehired for a period of six (6) months from the date of the layoff providing said person is qualified for the position as determined by the department head.
- 8.7 Seniority will be maintained during leaves of absence provided the leave does not exceed ninety (90) days. Thereafter, seniority will be adjusted day for day.
- 8.8 A seniority list will be posted and a copy provided to the Association once per year only if requested and only if new employees are added.

- c. Insubordination;
- d. Incompetence;
- e. Disrespectful or impolite references, comments or declarations about or to fellow employees, Department Heads or Elected Officials;
- f. Conviction, plea bargaining, deferred prosecution, or any other alternative disposition of a criminal charge which the Department Head or Elected Official believes would have an adverse effect regarding an employee's work, relationships with current employees/employer or brings into question continued suitability in the department;
- g. Inappropriate/improper use of public office/authority or misrepresentation of official authority or omission of responsibilities based on official authority and responsibilities;
- h. Misconduct and/or negligent performance of duties;

- m. Reporting to work with the presence of alcohol and/or illegal/controlled substances in the employee's blood, breath and/or urine, consuming alcohol and/or illegal/controlled substances at work, selling and/or distributing alcohol and/or illegal/controlled substances at work in accordance with the Drug and Alcohol Policy;

The Employer shall have the right to implement the following forms of discipline:

- a. Oral reprimand;
- b. Written reprimand;
- c. Suspension without pay;
- d. Termination.

The discipline imposed shall be in relationship to the seriousness of the offense as determined by the Employer. The Employer may impose progressive discipline in order of increasing severity from oral reprimand to discharge but shall not be required to follow progressive discipline where the Employer makes

a determination that the circumstances warrant immediate imposition of a more severe form of discipline up to and including discharge or termination, even though an employee may not have any other disciplinary actions of record in the employee's personnel file.

- 9.3 The Employer may suspend without pay or terminate an employee only for just cause. In the event the Employer determines that an employee may be suspended without pay or terminated due to charges and/or alleged misconduct(s), then the Employer will notify the employee and Association representative of the charges and/or alleged misconduct(s) in writing. The Employer will hold a pre-disciplinary action meeting to provide the employee and/or Association representative an opportunity to respond to the charges and/or alleged misconduct(s) within a reasonable period of time. Thereafter, the Employer shall make a determination as to whether to proceed with suspension without pay or termination.
- 9.4 When the Employer determines that circumstances are such that retention of the employee will likely result in disruption of work, damage to or loss of County property or be injurious to the fellow employees, then the Employer may immediately suspend with pay the employee pending the outcome of an investigation.
- 9.5 Untimely notice of disciplinary action shall not negate the disciplinary action. If the Employer decides to issue an oral reprimand and/or written reprimand to an employee then said reprimand shall be in written form and forwarded to the employee and to the Association representative. No meeting with the Association and/or employee is necessary for these types of discipline.
- 9.6 Employees shall sign "written reprimands" as evidence only of having seen the written reprimand when employees are shown those reprimands which are to be placed in the employee's personnel file. A copy of the written reprimand shall be provided to the employee at the time the employee signs it. Copies of written reprimands and more severe discipline will be mailed to the Association, except if the employee objects to the Employer sending out discipline information.
- 9.7 Written reprimands shall remain in the employee's personnel file for a period of no more than twenty-four (24) months from the date of the offense. If an employee does not have any other written reprimands within the twenty-four

(24) month period, then the letter of reprimand will be removed from the employee's personnel file, except if the misconduct or violation(s) relates to harassment, safety issues, potential liability to the Employer and/or suspensions without pay and/or discharges wherein the written reprimands were part of progressive discipline. However, if the employee has another written reprimand within the twenty-four (24) month period, then both written reprimands shall remain in the personnel file for twenty-four (24) months from the date of the last written reprimand.

- 9.8 References, written facts and all documentation involving written reprimands as provided above, suspensions without pay and/or discharges shall remain permanently in an employee's personnel file.
- 9.9 If any County employee is serving a disciplinary suspension without pay, said person shall not be employable with any other County Department or County funded organization.
- 9.10 Time lines may be extended by mutual agreement.
- 9.11 For those employees who must drive vehicles to carry out their job as determined by the Employer, if any employee has his/her driver's license suspended for less than thirty (30) days, then the employee shall be suspended without pay for that period of time. If the employee has his/her driver's license suspended for thirty (30) days or more, then said employee shall be discharged. If an employee's driver's license is revoked, then the employee shall be immediately discharged.
- 9.12 In accordance with provision 9.2 above, dishonesty in any form is considered serious misconduct and any employee proven to have been dishonest may be disciplined at a minimum suspension without pay up to and including termination of employment. Due to the seriousness of dishonesty, a first offense of dishonesty may result in termination of employment.

#### ARTICLE X - GRIEVANCE PROCEDURE

- 10.1 A grievance is defined as a question involving the interpretation, application or alleged violation of a specific provision of this Agreement

- 10.2 The parties agree that the time limitations provided are essential to the prompt and orderly resolution of any grievance, and that each will abide by the time limitations, unless waived or extended by mutual agreement of the parties to the grievance.
- 10.3 Filing of Grievance: If the Association and/or employee believes there may be a grievance regarding specific provisions of this Agreement, then the Association must file said grievance within thirty (30) calendar days of its occurrence. Failure to file the grievance within thirty (30) calendar days of its occurrence results in said grievance being forever waived and lost and no longer grievable at any time. Failure to pursue a grievance to the next step of the grievance procedure results in the last response being the final and binding conclusion of the grievance. To be a valid grievance, the grievance must set forth the facts, the specific section(s) of the contract which were allegedly violated and the specific remedy requested.
- 10.4 A grievance may be verbally presented by the aggrieved employee to the employee's immediate supervisor. The employee has the option of being accompanied by his/her Association representative, if he/she feels that it is necessary. The immediate supervisor shall respond within three (3) working days of the meeting. If the immediate supervisor does not respond within three (3) working days or if the response is not satisfactory, then the Association may initiate a formal grievance in accordance with the provisions set forth herein below.
- 10.5 Employer Grievance: The Employer may initiate a grievance at Step 2 of the grievance procedure within thirty (30) calendar days from the date of the occurrence giving rise to the grievance. If the Employer files a grievance in accordance with this section, the Employer will present, either by mail or in person, in writing, the basis of the grievance against the Association to the Association President within thirty (30) calendar days of the occurrence. Thereafter, the Association President shall respond in writing to the Employer within thirty (30) calendar days from the receipt of the grievance or refer the matter to arbitration. If the Employer is not satisfied with the response of the Association President, the matter will be elevated to arbitration in accordance with the procedure contained in this article.
- 10.6 The formal grievance procedure shall be as follows:

Step 1:

The grievance shall be presented in written form to the employee's department head within thirty (30) calendar days from its occurrence. The department head shall respond in writing within thirty (30) calendar days after receiving said grievance.

Step 2:

If the grievance is not resolved to the satisfaction of the concerned parties at Step 1 and it involves an economic issue, then within thirty (30) calendar days of the response in Step 1, the grievance in written form, shall be presented to the Board of County Commissioners. The Board of County Commissioners has the option of holding a hearing within a reasonable period of time, issuing a written decision without a hearing within thirty (30) calendar days of submission, or referring the matter to arbitration. If a hearing is held, the Employer will be represented by someone of their choosing and the Employee will be represented by an official of the Association. If a hearing is held, the Board shall issue a written decision within thirty (30) calendar days from the date of the grievance hearing. If the grievance is not resolved at Step 1 and it involves a working condition issue, then within thirty (30) calendar days of the response in Step 1, the grievance, in written form, shall be presented for arbitration purposes in accordance with the provisions of Step 3 below.

Step 3:

- a. Final and Binding Arbitration: If the grievance has not been resolved at Step 2 above, either the Association, the Employer or the Board of County Commissioners may refer the unsettled grievance to final and binding arbitration.
- b. Notice - Time Limitation: The referring party shall notify the other party in writing by certified mail of submission to arbitration within thirty (30) calendar days after receipt of the Step 2 response. Failure to notify the other party in writing will result in the grievance being forever waived and null and void.

- c. Arbitrator - Selection: After timely notice, the parties shall select an impartial arbitrator within thirty (30) calendar days, if possible, after the request is made to arbitrate. If the parties cannot mutually agree on an impartial arbitrator who is able and willing to serve on a timely basis, either party may demand a list of seven (7) qualified persons who are willing to abide by time limitations. A list of impartial arbitrators may be furnished by the American Arbitration Association (AAA) or the Federal Mediation and Conciliation Service (FMCS) or the Public Employment Relations Commission (PERC). The party demanding a paid arbitrator shall have the right to determine the organization from which the list of seven (7) names is to be derived. The parties shall flip a coin to determine who will strike the first name, following which each will alternately strike one of the names submitted until only one (1) name remains. This person will serve as the sole arbitrator subject to the following provisions.
- d. Decision - Time Limit: The Arbitrator will conduct the arbitration hearing within a reasonable time from the date of selection. The arbitrator shall issue a final decision within thirty (30) calendar days from the date of the hearing or receipt of the parties' briefs, if applicable.
- e. Limitations - Scope - Power of Arbitrator:
- (i) The arbitrator shall not have the authority to add to, subtract from, alter, change or modify the provisions of this Agreement.
  - (ii) The arbitrator shall have the power to interpret and apply the terms of the Agreement and/or determine whether there has been a violation of the terms of the Agreement.
  - (iii) The arbitrator shall consider and decide only the question or issue raised in the initial written grievance. In conducting an arbitration, the arbitrator shall maintain a verbatim record of the testimony either by tape recording or court reporter. If a party requests a court reporter and/or transcription of the official record, said requesting party shall be responsible for paying for the cost of the transcription; provided, however, if the other party is going to rely on the record and/or transcription, then said party shall be responsible for one-half (1/2) the transcription cost and their own

copying cost. The arbitrator shall also have the authority to receive evidence and question witnesses.

- f. Arbitration Award - Damages – Expenses:
- (i) The arbitrator shall not have the authority to award punitive damages.
  - (ii) Each party hereto shall bear equally the expenses of the arbitrator. Each party shall pay the fees and expenses of their own attorneys, representatives, witnesses and other costs associated with the presentation of their case.

#### ARTICLE XI - HOURS OF WORK AND OVERTIME

11.1 Regular Shift and/or Work Week: The Employer will determine, from time to time, the work shifts and/or work weeks which shall normally consist of five (5) consecutive eight (8) hour days, four (4) consecutive ten (10) hour days and/or four (4) nine (9) hour days with a partial shift for the balance of the forty (40) hours, Sunday through Saturday, inclusive. The Employer will determine which shifts will be worked by different employees (currently there are employees working 5-8's, 4-10's and 4-9's). Any previously authorized time worked in excess of the scheduled work day or in excess of forty (40) hours in a work week will be considered overtime and will be compensated at time and one-half (1.5). Overtime and all work performed on regularly scheduled days off shall be compensated for at one and one-half (1.5) times the regular rate. Regular part-time employees do not qualify for overtime compensation unless they have worked in excess of forty (40) hours in a workweek. Overtime is subject to prior approval by the Administrator or his/her designee, except in cases involving an emergency situation. Time worked for overtime threshold purposes shall not include sick leave, annual leave or any other Employer time when the employee is not actually working. If the Employer determines that the regular work shift and/or work week needs to be changed, then the Employer will provide two (2) work weeks of notice prior to the change being effective, except in the event of emergency, in which case no notice is required, and except as provided in Section 11.4 below. The Employer agrees to discuss the proposed change in regular work shift with the Association prior to implementation, but this discussion shall not constitute an obligation to bargain about the changes or their effects. The Employer has the right to schedule detention staff members at any time during the Sunday through Saturday work period in order to provide twenty-four (24) hours a day, seven (7) days per week coverage. Non-detention staff employees will

normally work during the week, Monday through Friday, either based on a five (5) day workweek, a four (4) day workweek and/or four (4) nine (9) hour days with a partial shift for the balance of the forty (40) hours, all as determined by the Administrator.

- 11.2 Call-Back: Employees called back to work after they have left the work premises will receive a minimum of two (2) hours pay at the time and one-half (1.5) rate; provided, however, only time actually worked shall count toward the overtime threshold.
- 11.3 Rest Periods: All employees' work schedules shall provide for a fifteen (15) minute rest period during each one-half (1/2) shift whenever this is feasible. Employees who for any reason work beyond their regular quitting time into the next shift shall receive a fifteen (15) minute rest period before they start to work on such next shift. In addition, they shall be granted the regular rest periods that occur during the shift.
- 11.4 The Employer may implement a work week consisting of four (4) ten (10) hour days and/or four (4) nine (9) hour days with a partial shift for the balance of the forty (40) hours, inclusive of the period of Sunday through Saturday, provided at least two (2) work weeks notice is provided to affected employees except in the event of an emergency. No notice is required in the case of an emergency. The Employer agrees to discuss the proposed change in regular work week with the Association prior to implementation but this discussion shall not constitute an obligation to bargain about the changes or their effects.
- 11.5 Standby Time: If the Employer provides specific prior written authorization for an employee to be on standby status, said employee will receive compensation at one-half (1/2) the employee's regular hourly rate for each hour said employee is specifically required to be on standby. No standby time shall count toward the overtime threshold. Standby time is that period of time wherein an employee is required to be at a specific location for a specific period of time ready to respond in a sober and ready condition. The employee's activities, in this status, are restricted.
- 11.6 On-Call: On-call time shall not be compensated time. It is that time when the Employer/department head requests that an employee keep said department head informed of the employee's whereabouts during specified period of time inclusive of the method of communication with the employee (telephone, etc.). If

the employee is not available, said employee is required to notify the department head or supervisor or such unavailability. In that event, the department head/supervisor will look elsewhere for assistance. On-call status involves no restriction on employee activity levels.

- 11.7 An employee may, at the employee's election, elect to receive compensatory time off in lieu of overtime subject to prior approval by the Employer. Compensatory time off will be in lieu of overtime pay at the rate of one and one-half (1.5) times. Employees will be required to request the use of compensatory time in accordance with the procedure for requesting/scheduling annual leave. Employees shall have up to ninety (90) days from the date of accrual to use up the compensatory time. In no event will an employee's compensatory time accumulation exceed forty (40) hours.
- 11.8 Employees working in a higher classification than their regular assigned classification shall be paid at the higher rate after twenty (20) hours in a workweek retroactive to the first hour. An employee working at a lower classification wage scale shall not suffer a reduction in wages, unless by permanent assignment.

## ARTICLE XII - JOB CLASSIFICATIONS AND WAGES

- 12.1 The classifications, band/range, steps and rates of pay shall be as provided in the 2002 Classification and Compensation Study. The administration of the evaluation process shall be carried out consistent with the Classification and Compensation Study as determined by the Board of County Commissioners. Addendum A is a description of the salary and pay plan administration process. Addendum B is the 2012, 2013 and 2014 pay plan as calculated and administered by the Director of Human Resources. This section, Addendum A and Addendum B are not subject to the grievance procedure. Effective January 1, 2013, due to the budget constraints on the County, all steps shall be frozen.
- 12.2 Effective January 1, 2013, the applicable and affected 2012 wage classifications will be increased by three and one quarter percent (3.25%) as determined by the Board of County Commissioners and as calculated and determined by the Director of Human Resources.

- 12.3 In the event a new position is created, the Employer has the right to develop and establish the position. The classification and wage rate will initially be established by the Employer through the salary evaluation process and the Association will be notified of this wage rate. If the Association disagrees with the wage rate, then the parties agree to meet and negotiate only with respect to the wage rate. This section is not subject to the grievance procedure.
- 12.4 Employees become eligible for longevity pay after serving for a continuous year. After serving the continuous year, each employee will be eligible to receive longevity compensation at the rate of eleven dollars and seventy-two cents (\$11.72) per month per year of service. The maximum any employee is eligible for is twenty (20) years of continuous service. At twenty (20) years, the maximum monthly longevity pay an employee would be eligible for is two hundred thirty-four dollars and forty cents (\$234.40). As an example, if an employee were continuously employed for ten (10) years by Grant County, the employee would be eligible for one hundred seventeen dollars and twenty cents (\$117.20) per month longevity pay.
- 12.5 Regular part-time employee's hourly wage will be equal to the hourly wage of the regular full-time employee.

#### ARTICLE XIII - BULLETIN BOARD

The Employer agrees to furnish and maintain a suitable bulletin board in a convenient place in a work area to be used by the Association.

#### ARTICLE XIV - ASSOCIATION ACTIVITIES ON EMPLOYER'S TIME AND PREMISES

- 14.1 The Employer may permit Association representatives to carry out limited functions subject to prior approval by the Employer/department head. A request for such time must be submitted prior to the anticipated function and is subject to the determination of the Employer/department head.
- 14.2 The Employer/department head may permit an accredited representative of the Association to have access to Employer premises during working hours for

- 15.2 Sickness shall be reported to the immediate supervisor at the beginning of any period of such leave. Upon return to work an employee submits a formal request for approval of leave so taken. A medical certificate may be required for absence in excess of three (3) consecutive days.

- 15.3 Sick leave is accrued at the rate of eight (8) hours for each completed month of service and is accumulated up to a total of nine hundred sixty (960) hours, after which time it lapses month by month. Sick leave accruals are calculated on the 15<sup>th</sup> of each month, and employees must be in pay status fifteen (15) or more calendar days of the month in order to be eligible to accrue sick leave.

An employee accrues eight (8) hours during the initial month of employment if the employee is placed on the payroll on or before the fifteenth (15<sup>th</sup>) of the month and actually works continuously through the end of the month. An employee terminating the employment relationship with Grant County accrues no sick leave time during the month of termination unless the individual is in pay status through the fifteenth (15<sup>th</sup>) of the month of termination.

An employee will be paid for accumulated sick leave as outlined above, less that accumulated during the highest consecutive twenty-four (24) months of compensation.

That sick leave accumulated during the twenty-four (24) months will be a separate bank and the employee may utilize that bank of hours for sick leave only and will not receive any compensation of unused hours at date of termination of employment.

#### ARTICLE XVI - MILITARY LEAVE

An employee who is a member of the National Guard or Reserves of the United States and who is ordered to active military duty for training purposes shall be granted military leave of absence with pay for a period not to exceed fifteen (15) work days each calendar year. Any days taken beyond fifteen (15) work days must be charged as annual leave. During the time he/she is on such leave, the employee shall receive his/her regular pay, plus the amount of his/her military pay.

Regardless of his/her status, any employee who voluntarily or upon demand leaves a position other than temporary to enter active duty in the armed forces of the United States or the Washington National Guard shall be placed on military leave without pay and shall be entitled to be restored to his/her former position, or one of like seniority, status and pay provided he/she applies for re-employment within ninety (90) days of his/her discharge or separation, and presents proof of honorable discharge or separation.

This shall be administered by the Employer. Employees are required to exhaust all accrued paid leave (*i.e.*, vacation, sick leave, compensatory time, etc.) before becoming eligible for an unpaid leave of absence for family leave purposes. When possible or foreseeable, requests for family and/or medical leave shall be submitted to the Employer a minimum of thirty (30) days prior to the date the leave is expected to commence. Violations of this provision shall be subject to the disciplinary process unless circumstances warranted a lesser notice.

20.3 Annual leave accumulated at the end of six (6) months of service in a department by regular full-time employees and at the end of one thousand (1,000) hours of service in a department by regular part-time employees may be taken in the following month or subsequent month upon the mutual agreement of the employee and the department, taking into consideration the seniority of service of the employee.

Upon completion of the probationary period, an employee's leave record will be credited with the appropriate annual leave. If the employee does not successfully complete the probationary period, annual leave is not earned and not payable.

20.4 Annual leave to be taken when it will least interfere with the work of the department as determined by the head of the department. Annual leave may be used for sick leave at the employee's discretion.

ADDENDUM A  
Salary Administration Procedure

A new hire will be placed at the appropriate salary range at step 1 based on the study and subject to prior review by the Human Resources Department and subject to prior approval by the Board of County Commissioners. An employee will progress to step 2 after 6 months of successful service and, subsequently, to step 3 after another 6 months of successful service. Thereafter, incumbents will progress to next higher steps in *annual* increments until reaching range maximum.

Exceptions:

- New hires may be placed at rates above step 1 in rare instances where the person brings exceptional experience, training, specialized knowledge and/or essential credentials. This may be done subject to prior review by the Human Resources Department and subject to prior approval by the Board of County Commissioners.
- Present employees promoted into a job with a higher band allocation may be placed at the new salary range step that would result in a “promotional” salary increase subject to prior review and recommendation of the Human Resources Department and subject to prior approval by the Board of County Commissioners. Promotional salary increase means the step in the new salary range which provides the employee with an increase in pay not necessarily the same step as the prior salary range step.
- In rare instances, severe market pressures on specific jobs may be considered for recruitment of candidates in very high demand subject to prior review of the Human Resources Department and subject to prior approval by the Board of County Commissioners. Normally, a new recruit will not be placed in a salary step higher than any present incumbent in the same job class who is performing at a fully competent level except in circumstances where the person brings exceptional experience, training, specialized knowledge and/or essential credentials to the job. This assessment is subject to prior review by the Human Resources Department and subject to prior approval by the Board of County Commissioners.

Progression Increases:

Incumbents whose salary rate is in a step lower than step 7 and whose performance is entirely satisfactory on a continuing basis as determined by the Elected Official(s) or

Department Heads with review by the Human Resources Department, will progress to next higher step at annual salary adjustment time, until their salaries reach step 7.

First Year of Implementation:

Current persons will be paid at the band and step appropriate for their job and years of service in said job in accordance with the study results and subject to review by the Human Resources Department and subject to prior approval by the Board of County Commissioners. In cases where the person's current wage is higher than the appropriate step, such persons will be placed into the step which will result in a pay increase at implementation. Incumbents paid at step 7 at implementation, will remain at this maximum rate of pay until a salary adjustment is made to the Grant County Salary Structure as determined by the Board of County Commissioners. Incumbents with over one year in their job and not paid at step 7 at implementation will progress to each next step after one year of successful service, as set forth in the Progression Increases section above, until step 7 is reached.

Persons with less than one year service, will progress through the Grant County Salary Structure in accordance with the old pay plan under which they were hired. For those employees hired prior to implementation of the new salary structure, the Employer will adhere to the old pay plan, even though this may mean that those incumbents will progress through the new salary structure in less than 5 years. Progression is subject to review by the Human Resources Department and subject to prior approval by the Board of County Commissioners.

Present persons whose current salary rates are higher than the adopted range maximum for their salary band will not receive a *salary decrease*. Their salaries will remain at their present rates until the salary range for their assigned band catches up to their present salary rates. Those persons may be considered for promotion to higher level positions when organizational conditions and an employee's qualifications warrant such allocation subject to review by the Human Resources Department and subject to prior approval by the Board of County Commissioners. (Editorial note: Increases in workloads or changes in the way that work is carried out or performed will not necessarily result in sufficient basis for reclassification.)
