- 10.3 Filing of Grievance: If the Association and/or employee believes there may be a grievance regarding specific provisions of this Agreement, then the Association must file said grievance within thirty (30) calendar days of its occurrence. Failure to file the grievance within thirty (30) calendar days of its occurrence results in said grievance being forever waived and lost and no longer grievable at any time. Failure to pursue a grievance to the next step of the grievance procedure results in the last response being the final and binding conclusion of the grievance. To be a valid grievance, the grievance must set forth the facts, the specific section(s) of the contract which were allegedly violated and the specific remedy requested.

10.4 Employer Grievance: The Employer may initiate a grievance at Step 2 of the grievance procedure within thirty (30) calendar days from the date of the occurrence giving rise to the grievance. - c. Arbitrator - Selection: After timely notice, the parties shall select an impartial arbitrator within thirty (30) calendar days, if possible, after the request is made to arbitrate. If the parties cannot mutually agree on an impartial arbitrator who is able and willing to serve on a timely basis, either party may demand a list of seven (7) qualified persons who are willing to abide by time limitations. A list of impartial arbitrators may be furnished by the American Arbitration Association (AAA) or the Federal Mediation and Conciliation Service (FMCS) or the Public Employment Relations Commission (PERC). In conducting arbitration, the arbitrator shall maintain a verbatim record of the testimony either by tape recording or court reporter. If a party requests a court reporter and/or transcription of the official record said requesting party shall be responsible for paying for the cost of the transcription; provided, however, if the other party is going to rely on the record and/or transcription, then said party shall be

responsible for one-half (1/2) the transcription cost and their own copying cost. The arbitrator shall also have the authority to receive evidence and question witnesses.

Employees will be required to request the use of compensatory time in accordance with the procedure for requesting/scheduling annual leave. Employees shall have up to ninety (90) days from the date of accrual to use up the compensatory time. In no event will an employee's compensatory time accumulation exceed forty (40) hours.
- 11.10 District Court Work Hour Provisions: The Court Administrator has the right to assign employees to work up to ten (10) hours per day with the daily overtime threshold being ten (10) hours. The Court Administrator has the right to adjust the work hours at the end of the week to provide for a maximum of forty (40) hours worked if forty (40) hours is all the Court Administrator determines is necessary to provide services with respect to a particular employee or group of employees in the Court. Adjustment of the work hours to ten (10) hours in a work day is not subject to the change of work schedules notification criteria set forth in Sections 11.2, 11.3, 11.7, 11.9 and any other notice provisions which would impede the Court's ability to have an employee work ten (10) hours in a work day instead of eight (8) hours. These same notice requirements do not apply to the Court Administrator's right to change the work hours at the end of the week to provide for a maximum of forty (40) hours worked in a work week.

ARTICLE XII - JOB CLASSIFICATIONS AND WAGES

- 12.1 The classifications, band/range, steps and rates of pay shall be as provided in the 2002 Classification and Compensation Study. The administration of the

evaluation process shall be carried out consistent with the Classification and Compensation Study as determined by the Board of County Commissioners. Addendum A is a description of the salary and pay plan administration process. Addendum B reflects the 2013 salary schedule as calculated and administered by the Director of Human Resources. This section, Addendum A and Addendum B are not subject to the grievance procedure. The pay steps shall be frozen at the 2013 pay step levels due to the serious budgetary constraints on the County. Effective January 1, 2013, there will be an overall increase to the Compensation Plan Salary Structure of three and one quarter percent (3.25%) for each step as calculated and administered by the Director of Human Resources.

- 12.2 There shall be a reopener pertaining to wages for 2014. Upon conclusion of reopener negotiations, increases, if any, shall be calculated and determined by the Director of Human Resources.
- 12.2 In the event a new position is created, the Employer has the right to develop and establish the new classification/position. The wage rate will initially be established by the Employer through the salary evaluation process, and the Association will be notified of this wage rate. If the Association disagrees with the wage rate, then the parties agree to meet and negotiate only with respect to the wage rate. This section is not subject to the grievance procedure.
- 12.3 Employees become eligible for longevity pay after serving for a continuous year. After serving the continuous year, each employee will be eligible to receive longevity compensation at the rate of eleven dollars and seventy-two cents (\$11.72) per month per year of service. The maximum any employee is eligible for is twenty (20) years of continuous service. At twenty (20) years, the maximum monthly longevity pay an employee would be eligible for is two hundred thirty-four dollars and forty cents (\$234.40). As an example, if an employee were continuously employed for ten (10) years by Grant County, the employee would be eligible for one hundred seventeen dollars and twenty cents (\$117.20) per month longevity pay.

ARTICLE XIII - BULLETIN BOARD

The Employer agrees to furnish and maintain a suitable bulletin board in a convenient place in each-work area to be used by the Association.

ARTICLE XIV - ASSOCIATION ACTIVITIES
ON EMPLOYER'S TIME AND PREMISES

- 14.1 The Court Administrator may permit Association representatives to carry out limited functions subject to prior approval by the Court Administrator. A request for such time must be submitted prior to the anticipated function and is subject to the determination of the Court Administrator.
- 14.2 The Court Administrator may permit an accredited representative of the Association to have access to Employer premises during working hours for Association business subject to the determination of the Court Administrator with respect to whether such access would in any way interfere and/or hamper work, services, efficiency and/or productivity.

ARTICLE XV - SICK LEAVE

- 15.1 Leave with pay allowed employees working on a regular monthly basis who are absent from work for any of the following reasons:
- a. Because of and during illness or injury incapacitating the employee to perform his/her duties.
 - b. By reason of exposure to contagious disease during such period as his/her attendance on duty would jeopardize the health of fellow workers or the public.
 - c. Because of illness, or death in the immediate family requiring the attendance of the employee (family includes only the following persons related by blood, marriage or legal adoption in the degree of grandparents, parents, wife, husband, brother, sister, child or grandchild, or any relative living in the employee's household).
 - d. Bereavement Leave: In case of death in the immediate family, up to twenty four (24) hours with pay will be granted. Additional days may be granted for travel at the employee's request. Additional days granted will be deducted from earned sick leave days.
 - e. An employee may use the employee's accrued sick leave to care for a child of the employee under the age of eighteen (18) with a health condition that requires treatment or supervision.

- f. In accordance with Washington State statute (RCW chapter 49.12 and WAC chapter 296-130), employees shall be allowed to use available sick leave or other paid time off, including vacation time, to care for a sick child or other family members (spouse, parent, parent-in-law, or grandparent).
- g. Doctor appointments.

15.2 Any sickness shall be reported to the Court Administrator at the beginning of the illness and prior to the beginning of the work day. Upon returning to work an employee shall submit a request for sick leave and may be asked to briefly explain in this request the basis for the request. The Court Administrator may require a medical certificate and/or a doctor's verification of illness for any sick leave absence; provided, however, the Court Administrator may choose to administer this requirement of a certificate and/or verification on the basis of a three (3) calendar day instance of sick leave absence where the Administrator believes the basis of the request is reasonably supported in the return to work request for sick leave.

15.3 Sick leave is accrued at the rate of eight (8) hours for each completed month of service and is accumulated up to a total of nine hundred sixty (960) hours, after which time it lapses month by month. Sick leave accruals are calculated on the 15th of each month, and employees must be in pay status fifteen (15) or more calendar days of the month in order to be eligible to accrue sick leave.

An employee accrues eight (8) hours during the initial month of employment if the employee is placed on the payroll on or before the fifteenth (15th) of the month and actually works continuously through the end of the month. An employee terminating the employment relationship with Grant County accrues no sick leave time during the month of termination unless the individual is in pay status through the fifteenth (15th) of the month of termination.

15.4 All accumulated sick leave is canceled automatically when an employee is separated from service but is restored when an employee is re-appointed to the same department or is employed by another department within twelve (12) months from the date of separation from service.

15.5 Fifty percent (50%) of the accumulated sick leave may be paid as severance pay where severance is made as a result of retirement under Social Security; twenty-five percent (25%) payment of accumulated sick leave in event of termination by

the employee in good standing after ten (10) years of continuous service; one hundred percent (100%) payment of accumulated sick leave up to nine hundred and sixty (960) hours in the event of the employee's death. All of these provisions are subject to the application of Section 15.6 below.

- 15.6 For employees under the PERS I retirement system the following provisions shall be applicable instead of the provisions contained in Section 15.5. This provision was effective as of January 1, 1985.

Under the terms of SHB-843 the following shall prevail: In the event of separation due to retirement, an employee will forfeit all sick leave accumulated during the highest consecutive twenty-four (24) months of compensation preceding such separation. An employee will be paid for accumulated sick leave as outlined above, less that accumulated during the highest consecutive twenty-four (24) months of compensation.

That sick leave accumulated during the twenty-four (24) months will be a separate bank and the employee may utilize that bank of hours for sick leave only and will not receive any compensation of unused hours at date of termination of employment.

ARTICLE XVI - MILITARY LEAVE

The Military Leave Policy and Procedures will be set forth in the "Grant County Policy & Procedure Manual" Policy.

ARTICLE XVII - CIVIL LEAVE/JURY LEAVE

- 17.1 The Court Administrator shall allow any necessary leave to permit an employee to serve on a jury. If an employee is subpoenaed to appear in a case, civil leave will be provided. When such leave is granted, compensation is paid by the department for the time absent only in the amount which exceeds the compensation received for the approved jury leave not to exceed a normal day's pay. When an employee is released from jury duty, said employee shall immediately report to work.
- 17.2 The Court Administrator may allow employees to attend meetings (other than official departmental meetings) which are of direct concern to the department. Attendance is subject to prior approval by the Court Administrator based on the

Court Administrator's analysis and determination of staffing requirements. Time allowed for such leave and provision for expenses are at the discretion of the Court Administrator.

ARTICLE XVIII- FAMILY AND MEDICAL LEAVE

The Family and Medical Leave Policy and Procedures will be set forth in the "Grant County Policy & Procedure Manual" Policy.

ARTICLE XIX - EDUCATION LEAVE

At the discretion of the Court Administrator, employees may be granted leave of absence for educational purposes to attend conferences, seminars, briefing sessions, or other functions of a similar nature that are intended to improve or upgrade the individual's skill or professional ability. The total cost including books, tuition, transportation, and other authorized expenses shall be provided by the Employer.

ARTICLE XX - ANNUAL LEAVE

- 20.1 Annual leave with full pay is allowed to an employee working on a regular full-time or part-time monthly basis who has been in the continuous employment of the County six (6) months. Such leave is in addition to holidays.
- 20.2 Annual leave may be accumulated to a total of two hundred (200) hours above the current year's accrual; provided, however, all unused annual leave in excess of two hundred (200) hours as of December 31 of any year shall lapse. Annual leave accruals are calculated on the 15th of each month and employees must be in pay status fifteen (15) or more calendar days of the month in order to be eligible to accrue annual leave.
- 20.3 Annual leave accumulated at the end of six (6) months of service in a department by full-time employees may be taken in the following month or subsequent month upon the mutual agreement of the employee and the department, taking into consideration the seniority of service of the employee. Prorated annual leave accumulated at the end of the full-time equivalency of six (6) months of probationary service by regular part-time employees may be taken subject to the Court Administrator's approval.

Upon completion of the probationary period, an employee's leave record will be credited with the appropriate annual leave. If the employee does not successfully complete the probationary period, annual leave is not earned and not payable.

20.4 Annual leave to be taken when it will least interfere with the work of the department as determined by the Court Administrator. Annual leave may be used for sick leave at the employee's discretion.

20.5 Annual leave days are earned by employees whose employment is continuous and satisfactory. These days comprised of eight (8) hours for each are credited to the employee as follows:

Accrual Rate: (12 month period on Anniversary date)

	<u>Days per month</u>	<u>Days per year</u>
1st year	1	12
2nd year	1.0834	13
3rd year	1.25	15
4th year	1.25	15
5th year	1.4167	17
6th year	1.4167	17
7th year	1.4167	17
8th year	1.4167	17
9th year	1.4167	17
10th year	1.5834	19
11th year	1.5834	19
12th year	1.5834	19
13th year	1.5834	19
14th year	1.5834	19
15th year	1.8334	22

20.6 Leave without pay may be granted under the following conditions:

- a. Subject to mutual agreement between the employee and Court Administrator.
- b. Subject to the work load or service requirements in the department as determined by the Court Administrator.
- c. Leave without pay is limited to a maximum of twelve (12) months in any five (5) year period.

- d. All leaves without pay are subject to review by the Grant County Board of Commissioners.
- e. Employees on leave without pay are not entitled to accrue any benefits, seniority and/or time in service rewards. These employees will be responsible to pay for their own insurance benefits while on leave without pay if they elect to continue said insurance.

20.7 Vacation Schedule: The Court Administrator has the right to determine how many Employees will be allowed to schedule vacation. Although normally the Court Administrator will not permit more than two Employees to be off vacation, depending on the cross-training and rotation of desks as well as responsibilities throughout the District Court operations, the Court Administrator may allow more than two Employees to be off on vacation if the Court Administrator determines there is satisfactory coverage for the responsibilities to be carried out. If the Employer is satisfied with the cross-training process and rotation from desk to desk for learning/training purposes with regard to the various duties, the Employer will discuss during the term of the Agreement an approach whereby employees could sign up for vacation on a seniority basis for set vacations during the course of the year. If the cross-training and desk rotation process is progressing well, the Court Administrator will also make arrangements for short notice time off if satisfactory service can be assured for District Court operations. The Court Administrator has the right to assign any Employee to any desk and/or responsibility in the process of covering for vacation leave. These provisions are not subject to the grievance procedure.

ADDENDUM A
Salary Administration Procedure

A new hire will be placed at the appropriate salary range at step 1 based on the study and subject to prior review by the Human Resources Department and subject to prior approval by the Board of County Commissioners. An employee will progress to step 2 after 6 months of successful service and, subsequently, to step 3 after another six (6) months of successful service. Thereafter, incumbents will progress to next higher steps in *annual* increments until reaching range maximum.

Exceptions:

- New hires may be placed at rates above step 1 in rare instances where the person brings exceptional experience, training, specialized knowledge and/or essential credentials. This may be done subject to prior review by the Human Resources Department and subject to prior approval by the Board of County Commissioners.
- Present employees promoted into a job with a higher band allocation may be placed at the new salary range step that would result in a “promotional” salary increase subject to prior review and recommendation of the Human Resources Department and subject to prior approval by the Board of County Commissioners. Promotional salary increase means the step in the new salary range which provides the employee with an increase in pay not necessarily the same step as the prior salary range step.
- In rare instances, severe market pressures on specific jobs may be considered for recruitment of candidates in very high demand subject to prior review of the Human Resources Department and subject to prior approval by the Board of County Commissioners. Normally, a new recruit will not be placed in a salary step higher than any present incumbent in the same job class who is performing at a fully competent level except in circumstances where the person brings exceptional experience, training, specialized knowledge and/or essential credentials to the job. This assessment is subject to prior review by the Human Resources Department and subject to prior approval by the Board of County Commissioners.

Progression Increases:

Incumbents whose salary rate is in a step lower than step 7 and whose performance is entirely satisfactory on a continuing basis as determined by the Elected Official(s) or

Department Heads with review by the Human Resources Department, will progress to next higher step at annual salary adjustment time, until their salaries reach step 7.

First Year of Implementation:

Current persons will be paid at the band and step appropriate for their job and years of service in said job in accordance with the study results and subject to review by the Human Resources Department and subject to prior approval by the Board of County Commissioners. In cases where the person's current wage is higher than the appropriate step, such persons will be placed into the step, which will result in a pay increase at implementation. Incumbents paid at step 7 at implementation will remain at this maximum rate of pay until a salary adjustment is made to the Grant County Salary Structure as determined by the Board of County Commissioners. Incumbents with over one (1) year in their job and not paid at step 7 at implementation will progress to each next step after one (1) year of successful service, as set forth in the Progression Increases section above, until step 7 is reached.

Persons with less than one (1) year service will progress through the Grant County Salary Structure in accordance with the old pay plan under which they were hired. For those employees hired prior to implementation of the new salary structure, the Employer will adhere to the old pay plan, even though this may mean that those incumbents will progress through the new salary structure in less than five (5) years. Progression is subject to review by the Human Resources Department and subject to prior approval by the Board of County Commissioners.

Present persons whose current salary rates are higher than the adopted range maximum for their salary band will not receive a *salary decrease*. Their salaries will remain at their present rates until the salary range for their assigned band catches up to their present salary rates. Those persons may be considered for promotion to higher level positions when organizational conditions and an employee's qualifications warrant such allocation subject to review by the Human Resources Department and subject to prior approval by the Board of County Commissioners. Increases in workloads or changes in the way that work is carried out or performed will not necessarily result in sufficient basis for reclassification.

ADDENDUM B
Compensation Plan & Salary Structure

The pay steps shall be frozen at the 2013 pay step levels due to the budgetary constraints on the County. Effective January 1, 2013, the 2013 pay plan will be increased by three and one quarter percent (3.25%) as calculated and administered by the Director of Human Resources.

The bands on the attached Pay Plan are those which apply to employees within the bargaining unit. Employees remain in the same band but may be eligible for a step increase subject to the provisions of Addendum A.

Wages for 2013 are subject to the provisions of Section 12.1.
