Informational copies of the proposal and specifications are on file with the County Engineer in the Grant County Public Works Building, 124 Enterprise St. S.E., Ephrata, WA 98823.

Any bidder offering new equipment must include in their proposal an offer to purchase the trade-in equipment. Grant County assumes the new equipment bidder's trade-in offer is a part of the bid including the new equipment. The bidder's trade-in offer will only be considered separately if the bidder completes Part II of the Proposal and provides a 5% bid security or checks the box to permit consideration of a trade-in offer separately.

Any person or company may make an offer to purchase the trade-in equipment independent of a bid on the sale of the new equipment. Such offers shall be made on forms provided by the County in Part II of the Proposal. The bidders are advised that mileage/hours will continue to accumulate until replacement vehicles/equipment are delivered. The County is offering the following trade-ins:

Trade-Ins:

All vehicles are offered “AS IS”. Prospective buyers may view the equipment at the convenience of the operator. Please call the department to make arrangements to inspect the vehicle. All vehicles are operating and currently in-service.

The Board of County Commissioners reserves the right to reject or accept any or all portions of the bids received.

INSTRUCTIONS TO BIDDERS

- 1) Sealed bids, plainly marked "**Bid for Automobiles & Pickups, Equipment Contract 2013-01**", will be received by Grant County at the Office of the Board of County Commissioners located in the County Courthouse, P.O. Box 37, 35 C Street NW - Room 207, Ephrata, WA, 98823, until **1:30 PM, January 29, 2013**, and will then and there be opened and publicly read for the construction of the improvements.
- 2) The Bidder may submit a bid on any or all items listed. If the Bidder does not wish to bid any particular item or items, please write "**NO BID**" on the appropriate proposal sheet.
- 3) Multiple bids for the same item may be made by the Bidder. Please copy the appropriate proposal sheet(s) for the item(s) to be bid with more than one model. The proposal for each item bid must be completed. Please number the proposal sheets accordingly.
- 4) The proposal must be completed and the proposal signature sheet must be signed.
- 5) An informational copy of the contract is provided to the Bidder. Please read it but do not sign it.
- 6) All exceptions or changes to the specifications must be shown on the proposal sheet(s) in the space provided or attached to the proposal sheet.
- 7) The Board of County Commissioners reserves the right to reject or accept all or part of the proposal submitted by the Bidder.
- 8) Bidders are advised that the unit price bid for each new item will be compared with current State or other public agency contract prices for similar vehicles. After said comparison the County may reject or accept all or part of the proposal submitted by the Bidder and purchase items directly from the State or other public agency contracts.
- 9) Trade-ins are offered for sale in this contract. Bidders offering new equipment are required to make an offer on the trade-in equipment listed. Interested parties that are not offering new equipment may submit a bid for one or more of the trade-in equipment items listed. A 5% bid security is required for offers made on all trade-ins from bidders completing Part II of this proposal. Although no minimum bids are reserved the County will compare trade-in offers to reliable publications or other sources.

Interested parties bidding for trade-in vehicles are required to post a 5% deposit based on the bid amount offered for the equipment. The deposit will be held until the purchaser provides the whole amount for all vehicles awarded to the high bidder. If the purchaser fails to pay for the awarded vehicles within the allotted time, the deposit shall be forfeited to the County.

PROPOSAL - PART I
(For New Vehicle Dealers)

General Conditions

1. The attached specifications are for the purpose of providing details regarding the type of product desired by Grant County. Equal or similar products from reputable manufacturers and suppliers are permitted. Grant County shall be the final determiner of product equivalence.
2. Bidders interested in providing bids for new equipment must complete and return Part I of this proposal.
3. The Bidder has 15 days from the date of award to sign and return the contracts. Failure to sign and return the contracts may result in the loss of the contract to the Bidder. No performance bond is required for this bid proposal.
4. Grant County shall pay State sales and use taxes on all products purchased. The Bidder shall not include taxes in the bid price and shall show state sales taxes as a separate item in the space provided.
5. Grant County is a political subdivision of the State of Washington and is exempt from paying all Federal excise taxes. The Bidder shall furnish Federal excise tax exemption certification when applicable. All other taxes and costs of business shall be borne by the Bidder and included in the base price offered.
6. The bidders are advised that mileage/hours on used equipment will continue to accumulate until replacement vehicles/equipment are delivered.
7. All products shall conform to applicable Federal and State safety and health laws, rules and regulations.

Bid Evaluations

1. Bid evaluations shall include, but not be limited by, the following criteria:
 - Price (*may include life cycle*)
 - Quality of product
 - Conformance to specifications
 - Prompt service and parts availability
 - Training
 - Bidder's previous contract experience
 - Public's best interest.

Submissions to be included with the Bid Proposal

1. Bidders are advised to submit the following with each bid item:
 - Descriptive literature.
 - Complete operating dimensions and sketches of the proposed unit.
 - Complete information detailing engines, engine accessories, transmissions, frame, axles, electrical components, cab, differentials, drivelines, hydraulic systems, and appurtenances for each unit bid.
2. The Bidder may submit any other information that may assist Grant County in evaluating the bid.

Full Service Facility

A full service facility is defined as the location with spare parts available to Grant County within 24 hours from 8:00 AM to 5:00 PM, Monday thru Friday.

Warranty

The Bidder must state the warranty period(s) on all items bid or portions of each item. Grant County may require a minimum warranty period. Within the warranty period the successful Bidder shall replace all parts and perform all repairs which are required or made necessary due to defective design, materials, workmanship, or non-conformance with the specifications. Unless otherwise noted, the Bidder shall perform all warranty repairs at the Bidder's place of business. Grant County shall deliver and retrieve defective equipment at the Bidder's place of business. All repairs shall have the warranty reinstated for the remaining period.

Operator's, Parts and Service Manuals

The Bidder shall furnish operator's manuals, service manuals and parts manuals as specified in the proposal. **Manuals must be delivered to Grant County before product delivery is considered complete.**

Delivery, Inspection and Acceptance

All equipment shall be new and the manufacturer's latest model. All standard equipment shall be furnished with the unit. The unit and mounted equipment, if any, shall be serviced, comply with all specifications, and be in full working order for the purpose it was designed at the time of delivery. **Grant County will accept delivery between the hours of 8:00 AM to 3:30 PM, Monday thru Thursday only.** Unless otherwise noted, deliveries shall be F.O.B., Freight and Insurance Prepaid and Included, to Grant County. The Bidder will be required to obtain a delivery address within Grant County, Washington, and the time from the County Engineer, or his designated representative, for each piece of equipment. The Bidder, or his representative, is requested to be present at the time of delivery.

Supplier(s) shall provide the following documents for review at time of delivery for each item.

- The manufacturer's line production sheet stating the equipment serial and identification numbers and listing all of the equipment's components. (Maroni sticker)
- Completed Invoice.
- The Manufacturer's Statement of Origin (MSO).
- Axle weight slips (for all units with axles).
- A completed Washington State title application showing both the legal and registered owner as: Grant County Public Works, 124 Enterprise St. SE, Ephrata, WA 98823. The mailing address is the same. Out of state Supplier(s) may contact Grant County Public Works, Financial Administration Office at (509) 754-6082 to obtain a Washington State title application.
- On occasion, Grant County will request vehicle licensing be made to a specific department or county agency. When that situation arises, the bidder will be given particular licensing information for the specified vehicle(s) and the bidder shall obtain the necessary signatures and acknowledgments from that department or agency at the time of delivery.

Training

1. The Bidder and manufacturer's representatives must be able to provide sufficient training to Grant County personnel to operate, service and repair the equipment. The training should occur in Grant County. Training shall include all labor, equipment, materials, tools, travel and other expenses needed to provide a complete service. The Bidder may show a minimum number of training hours for each category. Failure to offer any training will be a consideration in the bid

evaluation process.

2. The Bidder shall state the number of hours and the cost per hour for each category of training on the proposal form in the space provided.
3. Training is an additive cost to the contract. The Bidder shall not include training costs in the base bid of the proposal. Grant County is not obligated to use the training offered by the Bidder, however, should Grant County desire to utilize the training programs offered those costs will be added to the contract..

Late Delivery

No penalty for late delivery will be assessed against the Bidder. However, the Bidder is advised that the failure to deliver the equipment before the promised date will be a consideration used at succeeding bid proposal evaluations.

Trade-ins

Grant County is not obligated to accept any trade-in offer and may accept new equipment bid without the required trade-in offer. The trade-in offer itself will be considered to be a part of the whole item and will not be considered separately unless the bidder checks the appropriate line. Bidders wishing to bid for trade-ins only to be considered separately should complete and sign Part II of this proposal and provide a 5% security deposit. No security deposit is required for bidders bidding new equipment and offering trade-in values in Part I of this proposal.

CONTRACT

THIS AGREEMENT, made and entered into between the Board of County Commissioners of Grant County, State of Washington, acting under and by virtue of Chapter 36.77 of the Revised Code of Washington, as amended, hereinafter called the County, and _____, for itself, its heirs, executors, administrators, successors and assigns, hereinafter called the Contractor.

WITNESSETH:

That in consideration of the payments, covenants, and agreements, hereinafter mentioned, and attached and made a part of this agreement, to be made and performed by the parties hereto, and the parties hereto covenant and agree as follows:

DESCRIPTION OF WORK:

1. The Contractor shall do all work and furnish all tools, materials, labor and equipment necessary to improve and complete **Automobiles & Pickups, Equipment Contract 2013-01**, located in Grant County, Washington, as proposed in a bid opened **1:30 PM, Tuesday, January 29, 2013**, in accordance with and as described in the herein attached plans and standard specifications, and in full compliance with the terms, conditions, and stipulations herein set forth and attached, now referred to any by such reference incorporated herein and made part hereof as fully for all purposes as if here set forth at length, and shall perform any alterations in or additions to the work covered by this contract and every part thereof and any force account work may be ordered as provided in this contract and every part thereof.
2. The Contractor shall provide and be at the expense of all materials, labor, carriage, tools, implements and conveniences and things of every description that may be requisite for the transfer of materials and for constructing and completing the work provided for in this contract and every part thereof.
3. The County hereby promises and agrees with the Contractor to employ, and does employ the Contractor to provide the materials and to do and cause to be done the above described work and to complete and finish the same according to the attached plans and specifications and the terms and conditions herein contained, and hereby contracts to pay for the same according to the attached specifications and the schedule of unit or itemized prices hereto attached, at the time and in the manner and upon the conditions provided for in this contract and every part thereof. The County further agrees to employ the Contractor to perform any alterations in or additions to the work covered by this contract and every part thereof and any force account work that may be ordered and pay for same under the terms of this contract and the attached plans and specifications.
4. The Contractor for himself, and for his heirs, executors, administrators and assigns, and successors and assigns, does hereby agree to the full performance of all the covenants herein contained upon the part of the Contractor.

5. It is further provided that no liability shall attach to the County by reason of entering into this contract, except as expressly provided herein.

IN WITNESS WHEREOF, the said Contractor has executed this instrument, and the said Board of County Commissioners of aforesaid County has caused this instrument to be executed by and in the name of said Board by its Members, duly attested by its Clerk, and the seal of said Board to be hereunto affixed.

PROPOSAL - PART II (For Used Vehicle Bidders)

General Conditions

The attached specifications are for the purpose of providing details regarding the type of equipment available for sale by sealed bids.

Bidders interested in bidding for used equipment must complete and return Part II of this proposal.

The bidders are advised that mileage/hours on used equipment will continue to accumulate until replacement vehicles/equipment are delivered.

The successful bidder shall pay State and local sales and use taxes on all products purchased. The Bidder shall not include state and local taxes in the bid price in the space provided..

Bid Evaluations

Bid evaluations shall include, but not be limited by, the following criteria:

- Price
- Bid prices shall be compared to trade-in offers provided by vendors bidding new equipment.
- Grant County receives a reduction in sales tax from trade-in offers included with new equipment. That sales tax reduction shall be considered when comparing offers made by bidders for used equipment.
- Although no minimum bids are reserved Grant County will compare trade-in offers to reliable publications or other sources. Bids considered too low will not be accepted.
- Public's best interest.

Submissions

Bidders are advised to submit the following with each bid item:

- A 5% security in the form of a certified or cashier's check based upon the bidder's offer for the used equipment.
- Completed and signed Proposal sheet. Failure to complete and sign the Proposal form may result in the bid being declared irregular and not considered.

The Bidder may submit any other information that may assist Grant County in evaluating the bid.

Warranty

The Bidder is advised Grant County offers no express or implied warranty and all used equipment available for sale is offered "AS IS". Prospective buyers may view the equipment at the convenience of the operator. Contact information is listed.

Trade-ins

Grant County is not obligated to accept any trade-in offer. The trade-in offer itself will be for used equipment and described attachments, if any. All bids for trade-ins using Part II of this proposal will be considered separately. The successful bidder shall be given the prescribed number of days shown in the Proposal Signature Page from the date of notification that the used equipment is available and to pay the balance owed and pickup the equipment. If the bidder fails to complete the transaction within that time period the deposit shall be forfeited to Grant County.

The available list of used equipment follows:
