10.04.010 Established.

All roads, streets, avenues, alleys and their extensions, which have been properly established by an act of the board; also all that have not been properly established, but have been traveled and maintained as public thoroughfares; and also all roads, streets, avenues and alleys dedicated to the public to serve platted areas, are established as part of the county road system.

(Res. 108680 (part), 1956).

10.04.020 Road system complete.

The thoroughfares shown on the map accompanying Resolution 108680 are, to the best of knowledge, all the streets, roads, avenues and alleys that make up the entire road system of Grant County.

(Res. 108680 (part), 1956).
