

Feature Class Name

Hospital District

Summary

Polygons depicting the Public Hospital Districts of Grant County, Washington.

Description

Public Hospital districts are areas established to own and operate hospitals and other health care facilities and provide hospital services and other health care facilities for the residents of such districts and other persons. Hospital district is a variable in the computation of property tax.

Accuracy Statement

Grant County strives to provide accurate data. This data is believed to be accurate according to documents provided to Grant County, but has not been verified by district officials (e.g. City Council, Fire District Chief) for many years. Please review carefully. You are invited to submit documented corrections to the Data Steward.

Access and use limitations

This data should not be construed as legal advice or legal opinion on any specific facts or circumstances. The contents are intended for general information purposes only, and you are urged to consult your own lawyer concerning your own situation and any specific questions you may have.

Infrastructure records, drawings, and other documents have been gathered over many decades, using differing standards for quality control, documentation and verification. All of the data provided represents current information in a readily available format. While the data is generally believed to be accurate, occasionally it proves to be incorrect; thus its accuracy is not warranted. Prior to making any property purchases or investments based in full or in part upon the material provided, it is specifically advised that you independently field verify the information contained in county records.
