

Feature Class Name

Legislative District

Summary

Polygons depicting the Legislative Districts within Grant County, which indicate the territory represented by the corresponding Representative in the Washington House of Representatives.

Description

Washington State's legislature is composed of two separate legislative chambers, the lower Washington House of Representatives (composed of 98 Representatives), and the upper Washington State Senate, with 49 Senators.

Credits

2000 US Census data clipped with Grant County boundary, and updated with 2011 Washington State Redistricting Commission final redistricting plan shapefiles downloaded from http://redistricting.wa.gov/maps_final_2011.asp

Access and use limitations

This data should not be construed as legal advice or legal opinion on any specific facts or circumstances. The contents are intended for general information purposes only, and you are urged to consult your own lawyer concerning your own situation and any specific questions you may have.

Infrastructure records, drawings, and other documents have been gathered over many decades, using differing standards for quality control, documentation and verification. All of the data provided represents current information in a readily available format. While the data is generally believed to be accurate, occasionally it proves to be incorrect; thus its accuracy is not warranted. Prior to making any property purchases or investments based in full or in part upon the material provided, it is specifically advised that you independently field verify the information contained in county records.

Fields

DistrictName

The Legislative District designator, formatted to function as a label on maps
