3. Costs of preparation of the proposal will be borne by the proposer.

4. Proposals will be reviewed and evaluated by the Grant County Fair and Facility Manager and two other individuals (hereafter “Review Team”).

5. The Review Team will evaluate proposals in two areas: (1) the proposer’s experience and resources to timely and efficiently complete the below Scope of Work; and (2) the bid/dollar amount per week for lawn mowing, weed-eating, and edging as set forth in the Scope of Work.

6. Each proposer’s experience and resources to timely and efficiently complete the Scope of Work will be determined by the Review Team to be either “Clearly Qualified” or “Less Qualified”.

7. Only those proposals with a “Clearly Qualified” designation by the Review Team will be eligible for evaluation of the bid/dollar amount per week portion of the proposal for lawn mowing, weed-eating, and edging as set forth in the Scope of Work.

8. In the event of a low dollar proposal tie between proposers with a “Clearly Qualified” designation, a random method – such as a coin toss – to determine the low proposal will be utilized.

9. The successful proposer will be recommended by the Grant County Fair and Facility Manager to the Board of County Commissioners for award of a contract to be signed by the proposer and the Board of County Commissioners.

10. This request does not constitute an offer of employment or to contract for services.

11. The County reserves the option to reject any or all proposals, wholly or in part, received by reason of this request.

9. The County reserves the option to retain all proposals, whether selected or rejected. Once submitted, the proposals and any supplemental documents become the property of the County.
10. All proposals shall remain firm for thirty (30) days following the closing date for receipt of proposals.

11. The County reserves the right to award the contract to the individual/company that presents the proposal which, in the judgment of the Review Team, best accomplishes the desired results.

12. Selection will be made on the basis of the proposals as submitted. The Review Team may deem it necessary to interview responders. The County retains the right to interview responders as part of the selection process.

13. Members of the Review Team are not to be contacted by the proposers regarding this contract opportunity; however, they may contact the County's Administrative Services Coordinator at the location listed in Item #2 hereinabove, or at (509) 754-2011 ext. 637.

PROPOSAL FORMAT AND CONTENTS

1. Proposals must be typed/computer generated and clearly legible; any proposal that contains illegible information and/or dollar amounts subject to interpretation will render the entire proposal to be designated "Non-responsive" as it will not allow the County to confidently compare proposal prices.

3. Proposals must show numerical dollar amounts with decimal and commas (as appropriate). Any proposal that indicates "No Bid" or similar wording or is left blank will render the entire proposal to be designated "Non-responsive" as it will not allow the County to confidently compare proposal prices.
