1.6  **Bidder Responsibility Criteria (RCW 39.04.350)**

A responsive bidder must meet the bidder responsibility criteria as set out in RCW 39.04.350, *Bidder responsibility criteria – Supplemental criteria*:

1.6a  **Bidder Eligibility, Small Public Works Projects**

Any company or individual that intends to bid, quote, or submit a proposal on a Grant County small works project advertised through MRSC Rosters must be an active member in good standing of MRSC Rosters for Grant County prior to the deadline for submittals.

Should a company or individual not be an active member of MRSC Rosters in good standing and submit to the County a bid, quote, or proposal for the listed small works project, said bid, quote, or proposal must and will be rejected.

1.6b  Before award of a public works contract, a bidder must meet the following responsibility criteria to be considered a responsible bidder and qualified to be awarded a public works project. The bidder must:

1.6c  A bid bond at five (5%) of the proposed bid price as required by RCW 36.32.235 shall accompany the bid.

1.  At the time of bid submittal, have a certificate of registration in compliance with chapter 18.27 RCW;

2.  Have a current state unified business identifier number;

3.  If applicable, have industrial insurance coverage for the bidder's employees working in Washington as required in Title 51 RCW; an employment security department number as required in Title 50 RCW; and a state excise tax registration number as required in Title 82 RCW;

4.  Not be disqualified from bidding on any public works contract under RCW 39.06.010 or 39.12.065(3);

2.  **BID PREPARATION AND SUBMISSION**

2.1  **General Information**

2.1a  All respondents should read the entire RFB Packet carefully. Failure to comply with instructions may result in a bid being disqualified from consideration by the County.

2.2  **Bid Submittal, Format, Misc.**

2.2a  All bid submittals, consisting of one original and one (1) copy, must be received by the County *via* mail, recognized carrier, or hand delivery *no later than 2:30 p.m. (PST) on June 5th, 2017*, as displayed on Grant County's official time/date stamp.
located in the Office of the Board of County Commissioners. Late bid submittals and/or bid submittals submitted via e-mail or facsimile will not be considered.

2.2b All bids must be received by the County in a sealed envelope clearly marked with the project title “Grant County Parking Lot Replacement Project “CSD1701” and be directed to:

Tom Gaines, Central Services Director  
Grant County Commissioners’ Office  
PO Box 37 / 35 C Street NW  
Ephrata, WA  98823

2.2c Costs of preparation and presentation of the bid will be borne by the vendor.

2.2d Bids must be typed/computer generated or written in such a manner as to be clearly legible; any bid that contains illegible information and/or dollar amounts subject to interpretation will render the entire bid to be designated “Non-responsive” as it will not allow the County to confidently compare bid prices.

2.2e A cover letter is required, as set forth in Section 3.1 below.

2.2f Bids should contain straightforward and concise descriptions of the vendor’s capabilities to satisfy the requirements of this RFB Packet. Emphasis should be concentrated on accuracy, completeness, and clarity of content.

2.2g Grant County requires a signed, completed Grant County bid form with each qualifying bid submittal packet. The Grant County Bid Proposal form is located in Appendix A.

2.2h Bids must include itemized breakdowns of all costs and include all fees as directed.

2.2i Bids must show numerical dollar amounts with decimal and commas (as appropriate). Any required pricing breakdown that indicates “No Bid” or similar wording or is left blank will render the entire bid to be designated “Non-responsive” as it will not allow the County to confidently compare bid prices.

2.2j Mathematical calculations/totals on all bids will be checked by Grant County, and the County has the authority to correct any mathematical errors it identifies. For this reason, bids that appear to be higher or lower than others immediately upon bid opening may not be accurate. Grant County will not post the bid results until after the mathematical verification and totals check has been completed on each bid. Should any mathematical errors in submittals be identified, the County will notify the affected responders and the bid posting will reflect any necessary changes to the bid total(s).

2.2k In the event of a low bid tie between qualifying vendors after verification of mathematical calculations/totals, a random method – such as a coin toss – to determine the low bid will be utilized.
2.2l A request for awarding a contract/agreement to be signed by the qualifying low bidder will be made by the Grant County Central Services Director to the Board of County Commissioners as set forth in Section 2.3a below.

2.2m This request does not constitute an offer of employment or to contract for services.

2.2n The County reserves the option to reject any or all bids, wholly or in part, received by reason of this request.

2.2o The County reserves the option to retain all bids, whether selected or rejected. Once submitted, the bids and any supplemental documents become the property of the County.

2.2p All bids shall remain firm for ninety (90) days following the closing date for receipt of proposals.

2.3 Bid Evaluations

2.3a The County will evaluate bids and determine responsiveness as follows:

Grant County Central Services will perform an initial screening of each bid to determine responsiveness. A bid deemed responsive is one that materially conforms to the instructions/requirements of this RFB Packet, including the bidder meeting the requirements of a responsible bidder pursuant to RCW 39.04.3560

The County reserves the right to reject or accept any bid with immaterial irregularities.

Once Grant County Facilities & Maintenance has determined that a bid is responsive and mathematical calculations on the bid have been checked and/or corrected pursuant to paragraph 2.2j above, it will be compared to other responsive bid(s).

2.3b The responsible individual/company (pursuant to RCW 39.04.350) with the lowest responsive bid as set forth in this section will be named as the apparent successful bidder and recommended to the Board of County Commissioners for award of the contract.

2.4 Bid Preparation Instructions
