NOTICE TO
RFQ RESPONDERS TO
GRANT COUNTY
FAIRGROUNDS SEWER SYSTEM ENGINEERING DESIGN SERVICES

Request for Qualifications

ADDENDUM #1

The Grant County Fairgrounds has advertised that it is seeking Engineering Individuals/Firms to submit "Request for Qualifications" for the purpose of receiving a technically sound engineer design for the installation of a sewer collection system at the Grant County Fairgrounds located in Moses Lake, WA.

As stated in the RFQ Packet, under the "Selection Process and Contract Expectations" subparagraph (1) is changed to and should read:

- (1) Selection of a qualified individual/firm will be made by a Selection Committee. Grant County reserves the right to require a meeting between the Selection Committee and one or more representatives from the selected individual/firm prior to the recommendation to the Board of County Commissioners (BOCC) for the award of a contractual agreement to be signed by the individual/firm and the BOCC.
