GRANT COUNTY COMMISSIONERS LOOKING FOR INTERESTED CITIZEN TO SERVE ON SOLID WASTE ADVISORY COMMITTEE

EPHRATA – The Grant County Board of Commissioners announced today that they are looking for an interested citizen to serve on the Solid Waste Advisory Committee. If possible, representation from the Agriculture or Industry is preferred but not required.

The Solid Waste Advisory Committee (SWAC) assists the Board of County Commissioners in the development of programs and policies concerning solid waste handling and disposal, in the preparation of solid waste management plans, and by reviewing and commenting on proposed rules, policies, or ordinances relating to solid waste prior to their adoption. Participation primarily entails attending the meetings and reading material sent by the Public Works Department so that members can make informed opinions. There is no compensation for attending meetings. Members are asked to attend a majority of the meetings which are held quarterly, at 2 pm. at the Public Works facility in Ephrata.

An application must be completed and can be found at www.grantcountywa.gov under the “Important Announcements” heading. For further information please contact Joan Sieverkropp at 509-754-6082, ext 3508. Applications will be accepted until the position is filled.
