

Work with Local Governments

Register with 300+ Washington city, county, and special district business rosters in MRSC Rosters.

Register to receive job notifications from more than 300+ Washington city, county, and special districts. In one free online application you can become listed with multiple public agency business rosters across the State. Listed business may be contacted based on agency needs and internal contracting processes and MRSC has no involvement in the business selection process.

Register at
www.mrscrosters.org

MRSC Rosters Offers Businesses:

- Free Basic Membership
- Eligibility for Job Notifications
- Connection with Multiple Agencies
- Simple Online Application
- Convenient Annual Renewal

Businesses may apply at anytime for free in with an active Washington Unified Business Identifier (UBI#), Department of Revenue Account, and all other applicable qualifications. Visit the MRSC Rosters website, www.mrscrosters.org, for a full description of requirements and listings of all the small public works and consultant roster service categories, not including vendor services.*

Small Public Works Businesses provide construction, repair, or maintenance services for public works projects under \$300,000.00.

Consultant Businesses provide design, architectural, engineering or other services for small to medium sized projects.

** Vendor categories, equipment repair, and other non-public works services, are not currently included in the rosters.*
