and use of repellent are some of the ways to minimize your risk. Reports of Salmonella in Grant County were reported from events traced back to a Gorge event, sanitarians have been monitoring the site with no further related events.

CPODs, Community Points Of Distribution, training is available for any group interested in 'Adopting a Pod'. Please contact Sandi for more Information, sduffey@co.grant.wa.us .

Norco Open House, Lind commented that their open house seemed successful from his view at Eka. The open house/tour of the facility was interesting and informative.

Moses Lake National Night Out, Robert Carpenter with Moses Lake Police Department asked to inform the LEPC of this event to be held on August 3rd. Lind mentioned that the event there will be Block Watch Parties within the Moses Lake area and the City of Moses Lake has signed a declaration for this event.

VI. Presentation

Lind with Eka gave a presentation on their Assembly Review. Their exercise identified items in their plan that needed revisions, these revisions were noted and adjustments are being made to improve their plan.

***Your presentation provided an excellent reason for exercising!
Thank You Lind!***

VII. Future Agenda Items

Manny with Moses Lake Industries will have a presentation on confined space in August.

Barbie will have a presentation on American Medical Response (AMR).

Next meeting:
