#### I. Introductions

#### II. Approval of Minutes

The minutes were reviewed and a motion was made by Cliff to accept the minutes as written, motion was seconded by Lind and Manny, motion passed.

#### III. Hazardous Materials Spills

There were no spill reports to review however Sam discussed the current situation of the overturned propane truck on Dodson Road. The propane has not leaked from the truck and the crews are waiting to stand the truck once the icy road conditions improve.

#### IV. Old Business

Technical Search & Rescue Update, Leonard was not present to update the committee. At the current time there is no meeting date set.

#### V. New Business

USBR Exercise was conducted on January 12<sup>th</sup>. The exercise scenario was based on the failure of Dry Falls Dam, Pinto Dam, and O'Sullivan Dam during the Memorial Day weekend. One element identified during this exercise by Sam is that Grant County does not have the resources needed to manage this type of event.

Columbia Generating Station, Department of Energy (Hanford), Grand Coulee Dam, and Gorge Exercise are upcoming exercises that Emergency Management will be participating in, if you have an interest in observing or participating please contact Sandi at [sduffey@co.grant.wa.us](mailto:sduffey@co.grant.wa.us).

Tier II Workshops have been scheduled on February 8, 2011. This year Grant
