The Moses Lake Chapter of the Grant County LEPC held their monthly meeting at the Grant County Public Utility District #2 office located on 3rd Street in Moses Lake at 11:00 am on May 12, 2011.

I. Introductions

The meeting was called to order by Steve and introductions were made.

II. Approval of Minutes

The minutes were reviewed and a motion was made by Lind to accept the minutes as written, motion was seconded by Rick, motion passed.

III. Hazardous Materials Spills

May 11th, REC experienced an event inside the Silane IV waste treatment plant, there were no injuries to people. The small detonation broke the vent stack, maintenance was completed the day before, the situation is under investigation. Currently the plant is running at a reduced production rate. The event occurred at approximately 3:30 am.

IV. Old Business

Technical Search & Rescue Update, Leonard was not present to update the committee.

V. New Business

Yellowstone Pipeline held their annual Boom Deployment Exercise on April 27th and 28th. ICS training was conducted on the morning of the 27th with a table top exercise in the afternoon. On April 28th the deployment of the boom was completed, between 25-30 people were in attendance. A total of 250 feet of boom was deployed as well as skimmers and set up of the portable tank. Yellowstone has purchased a larger trailer for their equipment which made the deployment process easier.

TRANSCAER training, Lind is surveying the LEPC's to see if there is an

John Guerra
Dave O'Leary
Jake Gendron

interest in having the railcar and training brought into Grant County. The time frame in which TRANSCAER is considering would be June of 2012. If you have any questions or are interested in training please contact Lind Bingham at lind.bingham@eka.com .

General Dynamics
Pete Wicks
