The Quincy Valley Chapter of the Grant County LEPC held their monthly meeting at the Grant County Fire District #3 facility located on C Street SW in Quincy at 9:30am on February 24, 2010.

I. Introductions

The meeting was called to order by Tony and introductions were made.

II. Approval of Minutes

Minutes were reviewed and the motion was made by Frank to accept the minutes the motion was seconded by Bill, motion passed.

III. Hazardous Materials Spills

February 1st, the Bureau of Reclamation, Grand Coulee Dam had a turbine oil spill of 10 gallons into the water. The coaster gate behind the dam leaked oil through a bad fitting during the recycling process. The dam was shut down where the sheen was and booms and absorbents were deployed. The release was secured.

IV. Old Business

GCFD 3 is progressing with their MDT's and including Rapid Response accessibility for command staff.

V. New Business

Shelter In Place (SIP) Workshops, the committee is looking for a location to host a workshop in Quincy for the community. It was suggested that the annual Emergency Medical Services open house be a good event to tag into.

VI. Training Opportunities

GCFD 3 is looking into training with Med Star, the members of the LEPC are invited to attend. Training dates and location have not been
