The Health District has purchased 13,500 thermometers as part of their Pan Flu Mitigation Project. These thermometers will be distributed to clinics, schools, and child care centers. Seasonal flu shots are available and the Health District encourages everyone to get their shot, this years seasonal flu shot will include the H1N1 vaccine. The Health District is not planning on a drive through clinic this year.

VI. Agenda Items For Future Meetings

Ammonia training

VII. Presentation

Clint Opheikens with Monsanto gave a presentation on their Pesticide Exposure Emergency Action Plan. This plan would involve support from GCFD 3, Quincy Valley Hospital, and Quincy Valley Ambulance. The plan was reviewed by Washington State Department of Labor and Industries, their comments were that the plan was well written and they were happy to see that Monsanto was taking a proactive stance on this.

Thank you Clint for sharing your plan!

**Next meeting:
September 29 at 9:30am**

Respectfully submitted,
Sandi Duffey
Grant County LEPC Secretary
