Grant County Health District

Jon Ness

The Quincy Valley Chapter of the Grant County LEPC held their monthly meeting at the Grant County Fire District #3 facility located on C Street SW in Quincy at 9:30am on January 26, 2011.

I. Introductions

The meeting was called to order by Tony, introductions were made.

II. Approval of Minutes

Minutes were reviewed and the motion was made by Bill to accept the minutes as written, the motion was seconded by Josh, motion passed.

III. Hazardous Materials Spills

No new reports.

IV. Old Business

There was further discussion on trying to get an Ammonia Awareness type of class set up for the area. Tony feels that this has good potential for the community and will follow up on the idea.

V. New Business

The suggestion that a WA State L&I informational class about confined space would be another idea that the committee would like to explore. Tony will work with Sandi Duffey to set this up.

Jim had several questions about hazardous materials releases and what the response would be from the fire district. Tony explained some of the potential hazards close to the worksite he works for and what the local response could consist of.

Jon mentioned that the Health District is still dealing with the Pertussis outbreak.

Several training opportunities are available ie, Hazmat Incident

Command and Pipeline Safety Awareness.

The meeting was adjourned and a field trip was made to a local data center.

**Next meeting:
February 23, 2011 at 9:30 am**

Respectfully submitted,
Anthony Leibelt
Grant County LEPC Chairman
