IV. Old Business

Randy revised the mission statement to read as follows:

'The Coordination of public and private community members to protect lives, property, the environment, and the economy during incidents that will minimize the impacts to the best of our ability with all available resources.'

Randy presented the statement to the Warden Development Committee

(WDC). The WDC was pleased that the statement included 'the economy'. The next step will be Randy and Sandi working on writing the plan.

2012 HMEP Grant, suggestions for the 2012 grant are welcome at any time, please send your ideas to Sandi at sduffey@co.grant.wa.us .

V. New Business

January meeting, due to a conflict in the schedule the January meeting will need to be cancelled or changed. The members decided to change the meeting day to Wednesday, January 5th at 9am.

Grant County Health District, currently there are 25 confirmed cases of Pertussis in Grant County. The Health District is conducting school surveillance to track student absenteeism. There are 2010 Resource guides available. These guides are in English, the Spanish and Russian versions are on order. Please contact Joy at jreese@granthealth.org if you are interested in these guides.

Mike Shannon discussed CPOD's (Community Points of Distribution) and the need to identify locations within Warden where they could be organized. Several sites were identified and will be visited. These sites and POD designs will be addressed within the Warden Community Plan.

VI. Agenda Items for Future Meetings
