I. Introductions

The meeting was called to order by Randy, introductions were made.

II. Approval of Minutes

The minutes were reviewed and Mike made a motion that the minutes be approved with the correction, motion approved.

III. Hazardous Materials Spills

No new reports

IV. Old Business

Community Plan, Randy and Sandi discussed the view of the State and what they felt would create a good plan versus the plan that was being composed. Both styles have positive points but Randy decided that he would like his plan to continue in the direction in which he began. Randy and Sandi will resume working on the plan and sharing the draft.

V. New Business

Health District Update: Q Fever is under investigation, upon preliminary testing it was found that Q Fever is common in the goat population.

Grant County Department of Emergency Management is working on the All Hazard Mitigation Plan revision, a survey has been posted on the website and all members are encouraged to take the survey. The feedback information will be reviewed and considered during the revision process.

The Grant County Department of Emergency Management will host their second annual Preparedness Fair on October 6th from 2p-7p at Big Bend Community College.

Future training events will include an Anhydrous Ammonia awareness to be scheduled sometime in Oct-Nov. Radiation Awareness training will be scheduled in early December.

Hazardous Materials Emergency Planning grant will close in mid August, any suggestions are welcome, contact Sandi at sduffey@co.grant.wa.us.
