Re: Consent to purchase stall mats

Per the approved 2023 Capital Budget I would like to purchase two groups of stall mats, one for 48 mats and one for 32 mats. The budgeted amount is \$24,000 and \$16,000 respectively. I solicited three quotes as follows with pricing including tax and freight:

	32	48
Great Mats	\$15,037.14	\$21,724.29
Basin Feed	\$18,673.68	\$27,085.52
Classic Equine	\$22,797.74	\$33,406.75

I am requesting authorization to purchase stall mats from Great Mats based on the above pricing.

The budget line items for this purchase would be 132.178.00.9123.518303500 for the 48 Mats (ID#132-05) and 132.178.00.9123.594756003/4 for the 32 (Id#132-09)

Please authorize this expenditure.

Thank you for your consideration

Sincerely,
Jim McKiernan, Director
