Re: Consent to purchase Rock Picker

Per the approved 2023 Capital budget I am requesting authorization to purchase a skid steer versa rake. The budgeted amount was \$8,500. There is only one of this type of skid steer rock picker, Versa Rake, and the reason is that it picks up rocks down to 1/2 inch. No other rock pickers don't get anything finer than 3-4 inches.

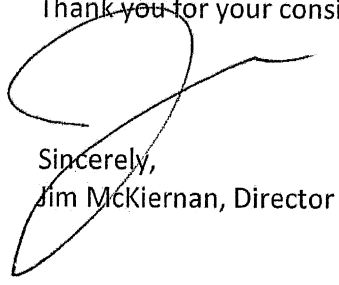

I solicited three online quotes as shown:

| | | |
|------------------------|---------------------------------|-----------|
| Skid Steer attachments | \$5499.99 plus tax and freight | \$5950.99 |
| Diamond Tool Store | \$5,326.00 plus tax and freight | \$6148.53 |
| Equipmentland | \$5,190.00 plus tax and freight | \$6516.75 |

Please authorize the purchase of a 72 inch Versa Rake from Skid Steers Direct for \$5950.99 including tax and freight. The budget number for this purchase is 132.178.00.9116.594756003/4 and the title is skid steer rock picker

#132-13

Thank you for your consideration

Sincerely,
Jim McKiernan, Director
