Re: Consent to purchase a box scraper

Per the approved 2023 Capital budget the fairgrounds is requesting the purchase of a box scraper. The Box Scraper would be purchased under a State Contract providing the best price through John Deere. Contract number is OR Lawn and Grounds Maintenance Equip 1744 (PG25 CG 22) authorized for Washington State Entities under the Master Contracts Usage Agreement (MCUA)

I am requesting authorization to purchase one box scraper for a total price of \$1372.21. The Purchase would be through RDO of Moses Lake.

The budget line item for this purchase would be 132.178.00.9116.575303564 Box Scraper, ID # 132-14) for \$3,500.

Please authorize this expenditure.

Thank you for your consideration

Sincerely,
Jim McKiernan, Director
