If it appears Contractor may not expend the maximum contract amount, AOC may reduce the maximum contract amount. AOC may increase the maximum contract amount if additional funds become available through this revenue sharing program.

#### **OTHER PROVISIONS FOR SERVICES**

- a. **Background Check/Criminal History**  
In accordance with Chapters 388-700 WAC, 7205 RCW, and 43.20A RCW, the Contractor is required to conduct background check/criminal history clearance for all employees, subcontractors and/or volunteers who may or will have regular access to any client/juvenile, prior to any access under this Agreement.

In addition, Contractor may be required to conduct background check/criminal history clearance for employees, subcontractors and/or volunteers who may or will have limited access to any client/juvenile, prior to any access under this Agreement.

The Contractor shall, based on the results from the criminal background check, determine whether each employee, volunteer, and subcontractor is suitable for access to clients/juveniles;

Records and other documents, in any medium, furnished by one party to this Agreement to the other party, will remain the property of the furnishing party, unless otherwise agreed. The receiving party will not disclose or make available this material to any third parties without first giving notice to the furnishing party and giving it a reasonable opportunity to respond. ## BECCA COST GUIDELINES

### A. PURPOSE and SCOPE

This document establishes the allowable cost guidelines for BECCA reimbursements. It also sets forth the required documentation needed to support a reimbursement request. This supporting documentation needs to be retained at the local level and should not be submitted to AOC.

### B. GENERAL

BECCA allowable costs are only those costs associated with "processing truancy, children in need of services, and at-risk youth petitions." See 2ESHB 1087 Section 113 2(a) and (b) (2011). Therefore, all BECCA reimbursement requests must be directly related to the filing and processing of these petitions. Those costs unrelated to the cost of filing or processing petitions cannot be reimbursed under current legislation. This would include anything done in lieu of filing a petition such as informal adjudications and treatments.

The guidelines below take into consideration the financial needs of a court processing BECCA cases and allows for reimbursement for expenses related to such processing. These guidelines also recognize the legislative restrictions placed on BECCA reimbursements and attempts to identify those costs that cannot be reimbursed.

### C. ROLES AND RESPONSIBILITIES

#### 1. Court Project Manager

- Person designated by the court to manage the BECCA contract according to its terms including report preparation, scope of work, and performance
- Submits invoices, and other required documentation in an accurate and timely manner
- Keeps all supporting documentation for audit purposes for at least six years after contract expires

#### 2. AOC Project Manager

- Acts as central contact with the court
- Oversees distribution of funds
- Approves invoices and submitted supporting documentation for BECCA reimbursement
- Responds to cost and budget questions from the courts
- Reviews all reports required under the BECCA agreement

### **3. Management Services Director**

- Resolves policy and procedural issues related to BECCA funding

### **4. AOC Comptroller**

- Determines BECCA annual fund allocation based on monies received from the legislature
- Periodically audits Courts to ensure reimbursement requests are supported

### **5. Contract Manager**

- Drafts, reviews, and approves BECCA agreements
- Answers questions regarding compliance with the agreements
- Provides advise on interpretation of agreement

### **6. State Auditor**

- Audits Courts and AOC for compliance with BECCA

## **D. ALLOWABLE COSTS AND SUPPORTING DOCUMENTATION**

### **1. Staff/FTE (salaries and benefits)**

- Judicial Officer (i.e. judges, commissioners, and pro tems) - Time records and dockets regarding BECCA case processing must be kept locally. A judge or pro tem's computation rate will be supplied by AOC, and will be the same for all superior court judges or pro tems hearing BECCA cases. The reimbursement for the judge or pro tem can only be for half the judge's hourly salary. If the judicial officer is a commissioner, reimbursement will be for a commissioner rate supplied by AOC or the actual cost, whichever is less.
- Other court staff (e.g. clerks, court project managers, BECCA counselors, office staff) payroll record/time and attendance records related to the filing or processing a BECCA petition must be kept locally. If employee is not assigned fulltime to BECCA cases then compensation reimbursement must be proportioned to the amount of time employee processes BECCA cases and must be documented by time and attendance records. NOTE: This does not mean that timesheets must be completed to track the time spent on BECCA. Document the process for determining the amount of time the person(s) spend on BECCA duties. For example, keep track of time for at least a week and then determine the percentage to be charged.
- An Administrative Rate is allowed but an internal administrative rate must be documented and approved by the county court administrator. This internal administrative rate must be documented with the formula used to

determine the rate. Documentation must be on file locally and available to AOC and State Auditor. The vendor invoices must also be on file locally.

## **2. Professional Services**

- General - Detailed vendor invoice to include detailed description of work performed, contract number, hours and hourly rate or time and attendance cards must be kept locally. All work must be related to processing filed BECCA cases and invoice must be approved by authorizing authority (i.e. county court administrator or his or her delegate) before inclusion in reimbursement request. However, these documents do not need to accompany the invoice to AOC. They should be readily available for audit purposes.
- Defense Attorney – Invoice must identify the specific BECCA cases for which reimbursement is requested, hours worked, and the hourly or flat rate that was charged. These documents do not need to accompany the invoice to AOC. They should be readily available for audit purposes.
- Prosecutor - Invoice to include a breakdown of billable hours/rates working on filed BECCA cases or invoice based on a per BECCA petition cost to process along with rationale and explanation on how petition cost was determined. These documents do not need to accompany the invoice to AOC. They should be readily available for audit purposes.

## **3. Goods**

- Supplies
  - Actual Costs - Supplies should be necessary for BECCA case processing and may include consumable supplies. Vendor invoices should be kept locally for audit purposes.
  - Costs Allocated by Internal Administrative Rate - Supplies may be allocated, but an internal administrative rate must be documented and approved by the county court administrator. This internal administrative rate must be documented with the formula used to determine the rate. Documentation must be on file and available to AOC and State Auditor. The vendor invoices must be on file locally.

## **4. Equipment**

- Actual Costs - Reimbursement request does not need to include the vendor invoice if directly related to the BECCA program; however, it must be kept locally. Any major purchase must be approved by AOC Project Manager prior to purchase. Major purchase is defined as purchase of an item where the cost is greater than \$500 or where the service/maintenance period on the equipment is greater than one year

and could exceed \$500 in total maintenance costs. Vehicle and other high cost items are not allowable purchases.

- Costs Allocated by an Internal Administrative Rate – Equipment may be allocated, but reimbursement request must be an allocated rate that is documented by an internal administrative rate specific to the court and approved by the court administrator. The internal administrative rate must be on file and available to AOC and State Auditor. The vendor invoice must also be on file.

## 5. Training

- Reimbursement only for the annual BECCA Conference Training.

## 6. Travel

- Travel/Expense Vouchers from staff or volunteers for travel to and from the annual BECCA Conference and services related to BECCA case processing. Staff or volunteers must work for BECCA programs and may include travel expense reimbursement for child, witness, parent or other interviews related to a case filed with the court to which volunteer or staff was assigned. All travel expenses must be within the travel costs permitted by the AOC at the time of travel. Supporting Documentation – Travel reimbursement requests must be kept locally for audit purposes.

## 7. Detention

- Verification of detention days ordered and days served. Rate for detention costs cannot be billed at a daily rate that is higher than that charged to other courts purchasing beds nor should they be higher than the "actual" daily detention costs. If billing occurs based on a daily rate, records of actual costs should be kept on file to substantiate daily rate. If a rate is used for billing, the rate calculation must be kept locally for audit purposes.
