

As Grant County moves forward to resuming jury trials, we would like share the steps we have taken to ensure the safety and well-being of our jurors, litigants, attorneys and staff. First and foremost, Superior Court is following the guidelines set forth by the CDC and the Grant County Health Department.

***Facemasks and/or facial coverings will be required. If you do not have one, one will be provided to you upon your arrival to juror orientation.***

***Hand sanitizer will be available at all times.***

***Smaller groups of jurors will be called in.***

***Jurors will be seated in compliance with physical distancing for jury selection, trial and deliberations.***

***The courtroom and jury gathering room are sanitized frequently throughout the day.***

***The Court asks all jurors to call into the jury information line on the designated evening provided on your notice to appear. Listen carefully to the entire message as it will provide you with the appropriate information and instructions.***

If you have been exposed to COVID-19, or are having any signs of illness on the day you are to report, please contact the Jury Administrator, Lynette Henson immediately. You will not be expected to report that day, but will be rescheduled for a time when you are no longer at risk.
