

# **This business abides by Washington State Law and cooperates with the Grant County Sheriff's Office to help prevent metal thefts.**

## **What this means for you as a customer:**

- We can not buy anything from anyone under the age of 18.
- You must show current, valid, government issued picture I.D.
- If the material is defined as "commercial metal property" then you **MUST** be able to provide written documentation that you are the legal owner, or are authorized by a business to sell the material you possess. Or have a "commercial account" set up with the scrap metal business.
- We must issue you a non-transferable check for any scrap sales valued at \$30.00 or more.
- Washington State law says we also must hold the check for 10 days.
- The check must be mailed to a street address. **NO P.O. Boxes!**
- We can no longer buy ANY beer kegs from you. Only breweries, and keg manufactures.
- We can no longer buy ANY burnt wire, at all. **UNLESS YOU PROVIDE DOCUMENTATION** of a 'legal burn'.
- We must judge if you are under intoxicating liquor or high on drugs. If so, we are not allowed to buy from you.
- You must sign a declaration, in front of a witness, that states the material you're selling is not stolen.
- We must report to the police anything you sell that looks to be suspicious, stolen, lost, or borrowed without permission.
- We cannot purchase scrap metal from anyone with the following charges on their criminal record within the past 10 years:
  1. Any crimes involving drugs.
  2. Any crimes involving burglary.
  3. Any crimes involving robbery.
  4. Any crimes involving theft.
  5. Any "Possession of" or "Receiving of" Stolen Property.
  6. Any "manufacturing, delivering, or possessing with intent to deliver methamphetamine, or possession of ephedrine or any of it's salts or isomers, or salts of isomers, pseudo ephedrine, or any of it's salts, or isomers, or salts of isomers, or anhydrous ammonia with intent to manufacture methamphetamine"

Whether the person is acting on his or her behalf, or as the agent of another.

## **If you are a commercial enterprise, or a business ....**

- We need your business name, telephone number, and business address, and must keep it on file.
- We need the full names of all drivers authorized by you to be selling "non-ferrous metal property" and or "commercial metal property".
- Descriptions of the predominant types of metal property.
- Signature from the driver of the vehicle, who's been authorized by you to sell your scrap "non-ferrous" or "commercial" metal property.
- You are now required to keep the same records as we do from everyone who you received any metals from.
