

Grant County Resource Guide

2025

Introduction & Disclaimer

The Grant County Suicide Prevention Taskforce, managed by Renew Grant Behavioral Health & Wellness, recognized the need for a centralized resource guide to help community members and service providers easily access information about locally available support services. This guide was thoughtfully compiled by dedicated members of the taskforce to reflect the most accurate and up-to-date information available at the time of its creation.

Please note that services and contact details may change over time. If you become aware of any updates or inaccuracies, we encourage you to notify the Grant County Suicide Prevention Taskforce Coordinator, Bethany Avey, at bmavey@grantcountywa.gov so that we can ensure this guide remains a reliable resource for our community.
