**608 – Payroll Deductions**

With each paycheck, employees will receive a statement showing gross pay, deductions and net pay. Grant County is required by law to deduct from an employee's paycheck federal withholding taxes and the employee's portions of social security taxes, Worker's Compensation premiums and contributions to PERS and/or LEOFF. These amounts are forwarded directly to the federal or state government. As a service to employees, Grant County also makes other deductions, subject to prior approval by the employee and which have been authorized by the employee in writing.
